Dear Dr. [REDACTED] 25X1A5a1

This is just a note to thank you for your most effective and helpful cooperation during the recent visit [REDACTED] and I made to the campus. I have just returned to Washington after visiting several of the major schools on the coast and in retrospect a couple of your people stand out among the prospects we interviewed, and in my judgment would be standouts anywhere in the country.

It was a great pleasure to me to have the opportunity to visit with you again. Let me repeat my invitation to you to drop in and see me whenever you are in Washington.

Sincerely,
